## BIOGRAPHY

### *Good Success Christian Church*

On June 3, 2001 the Vision for good Success Christian Church and Ministries was launched as a non-denominational, Word of Faith, Holy-Spirit-Filled Christian Church. Since that time Dr. Bennett and the great people of Good Success has been about the deliverance and empowering mission of changing lives and changing communities by Creating Kingdom Citizens through Worship, Evangelism, Discipleship, Fellowship and Ministry who Achieve Godly Success in their Faith, Family, Finances and Fitness in every dimension of their lives.

## MEN'S MINISTRY

### *Spiritual Transformation Program*

An 18-month intensive residential program helping men to overcome depression, unemployment, and drug and alcohol addiction. Christian counseling, education, relationship building, and vocational training help the men return to productive, independent living. In addition, participants in the STP benefit from visits to Camp Bennett in Montgomery County, Maryland.

Upon graduation, the men are assisted with their housing and employment searches. They participate in further vocational preparedness classes and internships that lead to permanent employment.

**A number of the Program graduates have joined the Mission's staff.** Their understanding of the problems faced by their peers make these men invaluable assets to the ministry. They are living examples of the reality of transformation, embodying the message of hope to the men they serve.

## ACKNOWLEDGEMENTS

The Board of Directors and Staff of the Central Union Mission would like to thank churches, businesses, and individual donors for making this event a memorable occasion. Without the support of our friends, our 127 years of serving the Washington community would not have been possible. For this achievement, we thank you.
