

As we express our gratitude, we must never forget that the highest appreciation is not to utter words, but to live by them.

Honoring All Who Served

Veterans Day

November 12, 2018

We honor those that support the Mission's veterans

The Disabled American Veterans Charitable Service Trust

The mission of the DAV Charitable Service Trust is to make sure our brave veterans get all the care, rehabilitation, and services they need when they suffer the often severe physical and mental impact of military service.

Disabled Veterans National Foundation

DVNF provides critically needed support to disabled and at-risk veterans who leave the military wounded—physically or psychologically—after defending our safety and our freedom.

Independent Order of Odd Fellows

IOOF is a non-political, non-sectarian international fraternal organization. It engages in charitable acts, guided by the principles Friendship, Love and Truth and the command to "visit the sick, relieve the distressed, bury the dead and educate the orphan."

Veterans of Foreign Wars Foundation

Affiliated with the VFW, the foundation supports posts and nonprofit organizations helping to fill in governmental assistance gaps for troops abroad, military families back in the U.S. and America's often-forgotten veterans.

Hope Depot Foundation and Team Depot

Home Depot's 400,000-strong army of associate volunteer work to improve the homes and lives of U.S. veterans, train skilled tradespeople to fill the labor gap and support communities impacted by natural disasters.

Safeway Foundation

Safeway Foundation funds organizations that strengthen the neighborhoods they serve. They are proud to recognize the enormous sacrifice made by our Veterans, especially those who are injured while defending the freedoms we all enjoy.
