# MISSION muffins

Muffins • Scones • More!

There's more to your muffin than sugar and spice.  
Recovery, Employment and Success are the  
special ingredients.

Through Mission Muffins, one of Central Union Mission's Workforce Development & Education programs, hardworking formerly homeless employees prepare for new futures. They learn baking, marketing and business skills, while living at the Mission and saving their wages for a place of their own. But where do the special ingredients come from? Friends like you who want to improve the lives of our city's most vulnerable.

**You, your company, church or community group can help further this life-changing work!**
