

2025 ANNUAL REPORT

Meeting the needs of homeless
and hurting people in the DC
area for over 140 years.

Dear friend and partner,

You're a friend who understands. . .

That the man sleeping in a tent near the Lincoln Memorial is a human with a story. That the family who comes to Mission: NOVA for resources is doing everything "right" yet is still struggling to keep a roof over their head. That a bag of groceries can be the one thing that keeps a senior in their home.

This year, you showed the DMV what generosity looks like in action. . . what it means to be the hands and feet of Jesus. People in our community aren't made to survive. They're made to thrive. And your partnership is restoring lives physically, emotionally and spiritually.

In 2026, we don't plan to slow down. We plan to build. We plan to stay committed to the work of Christ in our community.

What does that look like?

Strategically expanding beyond shelter care to foster healing, stability and lasting transformation for men, women and families experiencing poverty or homelessness.

Providing holistic support that addresses poverty at the root. This includes connecting people with the right resources, education and spiritual guidance.

Deepening our reach in Northern Virginia, especially among non-English-speaking communities facing economic hardship.

Broadening local partnerships. Linking arms with local ministries is our greatest strength.

Celebrate the difference you made this year. Give glory to God. And look ahead with hope. Because together, we're breaking the cycle of poverty. We're rewriting the story of homelessness and poverty in the DC area.

With so much gratitude for your partnership,

Joe Mettimano
President & CEO
